El Paso Airport
Downtown
West

Directions: From the West, Airport/Downtown El Paso on I-10: Take exit 34, Loop 375 / Americas Avenue, 8 miles from Airway Blvd. This is the first exit after Zaragoza Road. Stay on Gateway East and go under Americas. Just past where traffic is merging onto Gateway East from Americas Avenue, turn right on A&M Circle at the green sign that says “Texas A&M Research Center”.

From the East on I-10: Take exit 34, Loop 375 / Americas Avenue. This is the first exit after Eastlake Dr. Stay on Gateway West (the access road paralleling the freeway) and go under Americas Avenue. Immediately after that, bear right on the cloverleaf that takes you to Americas Avenue south. Cross the bridge and immediately take the exit for I- 10 east / Van Horn. You will be on Gateway East. Just past where the traffic is merging onto Gateway East from Americas Avenue, turn right on A&M Circle at the green sign that says “Texas A&M Research Center”.
